## Two Million Dollar Contract

### Klassen Construction To Start Work At Airport

### W.A. Shields New President Farm Equipment Dealers

R. R. Watson, Killarney, Manitoba, immediate Past President of the Canadian Federation of Farm Equipment Dealers, today announced the election of W. A. (Bill) Shields, Vulcan, Alberta, as president of the Canadian Federation of Farm Equipment Dealers.

Mr. Shields is a partner in the M. R. Morrison Ltd. Farm Equipment Dealership at Vulcan. He is the second member of this firm to be both president of the Alberta Retail Implement Dealers' Association and president of the Canadian Federation. This is a first in Canada that two members of one firm have held both the provincial and national offices.

Mr. Shields is a native of Ontario who came west as a member of the world-renowned "Mounties". He has been a resident of Vulcan since 1948 when he became active in the farm equipment business. Mr. Shields is married and the father of two daughters. His wife is the former Iris Morrison of Lethbridge and Calgary. He takes an active part in many community organizations; is a member of the Vulcan United Church. He is Police Magistrate for the Vulcan area and director of the Vulcan Civil Defence Unit.

Vice Presidents of the organization elected at the same time are George C. South, Heathcote, Ontario, and Ronald Atkinson, Hartney, Manitoba.

### Bill Sparks Retires After 36 Years With CPR

Following 36 years service with the Canadian Pacific Railway, E. W. (Bill) Sparks of Vulcan has retired due to ill health.

Mr. Sparks first started to work for the CPR in April 1923, leaving the company in 1925. Two years later he returned to the company and in April 1927 was sectionman and relieving foreman at Nanton. Promoted to foreman in 1930, he worked at Peigan for four years, at Armada for six months, at Pearce for six months, at Winnipeg for seven years, at Champion for eight years and at Vulcan for 13 years. He will be 65 years of age in October.

Active with the Brotherhood of Maintenance of Way Employees, Mr. Sparks has held the positions of secretary and journal agent, resigning as track local chairman in June of this year.

He and Mrs. Sparks have been living in their own home in Vulcan since March and will continue to reside here.

William Klassen, president of Klassen Construction Ltd., announced last weekend that his firm expected to commence operations at the Vulcan airport in the very near future.

Main operation of the firm is the building of pre-fabricated houses and Mr. Klassen stated that his firm had the low bid on a contract for some 200 three-bedroom homes for the United States Air Force at its Glasgow, Montana, base.

Klassen Construction completed last year, at its former location at Yorkton, Sask., a large Royal Canadian Air Force contract for 180 pre-fabricated houses for use on radar sites.

About a year ago the company purchased six hangars and 112 acres of land from the County of Vulcan, at the former RCAF air training base about seven miles south-west of Vulcan, and this will be the company's manufacturing site.

When operations are in full swing on the new USAF contract it is estimated that the company will be able to build one unit a day. The new contract is in the amount of almost \$2,000,000.

Mr. Klassen now lives in Calgary but other officials of the company are moving to Vulcan.

Several of the key men in charge of operations will be company employees who were formerly at Yorkton but the main labor body is expected to be hired in the district. It is estimated that about 200 men will be employed at the former airport site when work on the new contract gets under way.

A new departure in the manufacture of prefabricated houses will be used on this contract. They will be hinged, with a continuous hinge, much like a piano hinge, and the complete unit will fold together to make a package 10 feet wide and will fold out to a 26-ft. wide house. The inner walls will fold down with the side walls folding next, then the front and rear walls and finally the roof will fold down on the whole thing.

When erected the hinges will be locked in place and made secure. Previously prefabricated houses were built in sections and bolted together on the site.

The firm intends to get into the general sale of prefabricated houses to the public in the near future. Plans are under way for the formation of a dealer organization throughout the province. Various models will be available for purchase.

In addition to a healthy boost to the economy of Vulcan and district, the new firm will be vitally helping basic industry.

Mr. Klassen said his firm had purchased more than two million feet of lumber from a Blairmore lumber operator for the Yorkton project. He was of the opinion that this firm and others in the area would be receiving orders as a result of the large American government contract.

### Two Died When This Plane Crashed

### Fish & Game Annual Shoot Sat., July 20th

At a recent executive meeting of the Vulcan and District Fish & Game Association, Saturday, July 20, was set as date for the Third Annual Shoot.

As in the past it will be held at the Carl Steiner farm and features rifle and .22 competition for men and women, boys and girls. There are five events in the rifle competition: iron sights, scope sights, standing shoot, moving target and tight group.

This shoot provides an opportunity for all amateur gun enthusiasts to test their ability in competition and has proven an interesting day in former years.

Events of this shoot will be enlarged upon at the June 17 Fish & Game meeting to be held at the Vulcan Café where business, films, speaker and lunch will take up the evening.

### Mossleigh Girl At FYP Week

Miss Frances E. Elliott of Mossleigh attended Farm Young People's Week under the sponsorship of the Pioneer Grain Company.

This is the 45th consecutive year that Farm Young People's Week has been held at the University in Edmonton and the fifth year that a group of young people have been sponsored to this 10-day course by the Pioneer Grain Co. As well as paying the full cost of tuition and accommodation, the Pioneer Grain Co. presents each young person sponsored with \$15 to defray incidental expenses.

Farm Young People's Week has proven to be a most valuable and popular course to all who have attended and it is anticipated that Pioneer Grain's sponsorship of a number of young people to subsequent courses will be continued.

### Community Shocked and Saddened

### Tragic Aircraft Crash Takes Lives of Two Young Men

Residents of the town and district were shocked early Sunday evening when two well known young men, Lionel Lucas and Claire Schneider were killed in the crash of a single-engine aircraft about a mile-and-a-half northwest of town.

The two men, both private pilots and members of the Vulcan Flying Club, had been practicing aerobatics when the deHavilland Chipmunk went into an uncontrolled spin at an altitude of about 1,500 feet and, according to eye-witness reports, went "straight into the ground." The crash occurred at about 7:20 p.m. on the Leo Spanke farm, not far from the grass airstrip used by the flying club.

The Chipmunk aircraft, of the type used as primary trainers for wartime pilots, had only recently been put into use by the flying club, which also owns two other aircraft. The twisted wreckage containing the bodies of the two men was in a summerfallow field. Both men had been instantly killed.

Cause of the crash is unknown and an investigation is being carried out by the Department of Transport whose investigators arrived from Calgary early Monday morning. Coroner Dr. A. D. Tomkins has announced that there will be no inquest.

Lionel J. Lucas, aged 31, was a salesman for a Vulcan farm machinery dealer. He was elected this year as president of the Flying Farmers of Alberta and was a past president of the Vulcan Flying Club. He was a member of the Kinsmen Club of Vulcan and an officer in the Vulcan unit of the Calgary Highlanders (Militia).

He was also a member of the Elks Lodge and the Royal Canadian Legion.

He was a member of a well known family of pilots, his father being a former bush pilot and his two brothers and one of his sisters all being licensed pilots.

Besides his wife, Jacquie, and three small children, Lionel Lucas is survived by his parents, Mr. and Mrs. Phillip G. Lucas of Vulcan; two sisters, Leslie and Leah, Vulcan; and two brothers, Jack, of Calgary, and Leighton, attending college in the United States.

Claire E. Schneider, aged 29, was assistant agent here for the Canadian Natural Gas Co. He was secretary of the Vulcan Golf & Country Club, a member of the Kinsmen Club and non-commissioned officer in the Calgary Highlanders, Vulcan, and a member of the County Amateur Radio Club.

Surviving are his wife, Elaine, and two small sons; his parents, Mr. and Mrs. O. H. Schneider of Champion; one sister, Mrs. Wayne (Jean) Davey; three brothers, Harold of Claresholm, Don of Sylvan Lake and Gerry of Calgary. He was hospitalized overnight.

Mr. Smith had three ribs separated as well as other bruises. John Ivers' also sustained bruises.

At the conclusion of the business session a dainty lunch was served by the hostesses.

### Heavy Demand

Almost 600 extra copies of the Vulcan 50th Anniversary edition of the Advocate have been sold but about 100 are still available to anyone wishing a copy to send to friends or relatives. Price is 10 cents or 15 cents mailed out.

### Home For Aged Tenders Called

Tenders have been called by the provincial government for the construction of the Home for the Aged in Vulcan.

The Home will be situated on a 4.7 acre block of and adjacent to the golf course and will have a capacity of 50 persons.

### List Of Parade Prize Winners Not Available

A complete list of prize winners in the 50th Anniversary parade is not available and only 15 of the 39 winners have claimed their prize money, according to officers of the Vulcan Elks Lodge who were in charge of the event.

The Elks are anxious that the prize winners in the various sections of the parade receive their prizes as a small recompense for their efforts and ask that the winners who have not yet received their prizes contact M. K. Sinclair at the town of Vulcan office.

Credit cards are the greatest development since the invention of the big wheel.

### Golf Course Busy With Club Playoffs

Action at the Vulcan Golf and Country Club has been concentrated the past couple of weeks on club playoffs of various sorts.

In the Men's 4-Ball Competition for the C. McAskie Trophy play has reached the finals with the pair of R. Buehler and R. Willard meeting J. Moyer and E. Bowie.

The Tuesday evening league has created a lot of enthusiasm with the golfers and play in this will continue to the end of August.

The President vs. Vice-President Competition has started and a banquet is at stake here with the losers paying.

The Ladies' Invitational Tournament is slated for next Monday, July 15, and all ladies are asked to have their qualifying round played by 12:00 noon. Another nine holes will follow after lunch.

The postponed Open Tournament for ladies and men has been rescheduled for Sunday, Aug. 18, and the Foothills Tournament is to be held at Staveland on Sundays, July 28 and Aug. 4.

The golf course itself is rapidly getting into wonderful condition due to the continued wet weather and the executive who only last year were nearly ready to give up on the grass condition are smiling again at the vast improvement.

### Services Held At High River For John Williams

John Williams, aged 81, died at Vulcan on July 1, 1963.

Born in Pantyffynon, South Wales, he came to Claresholm in 1929, later living at High River and at Vulcan. He was a member of the High River Baptist Church.

He is survived by three daughters, Mrs. B. (Bessie) Jones, South Wales; Mrs. Donald (Megan) McNiven, Vulcan and Gwyn Williams, Vancouver; one son, Lloyd, South Wales. He was predeceased by his wife, Annie Jane, in 1923, and also by one son and one daughter.

Services were held at the High River Baptist Church on Thursday, July 4, with Rev. Cross officiating. Pall bearers were David Ruark, Eugene Rowland, Eric Watson, Jim McNiven, Eddie Pipe and Frank McNiven.

The Vulcan Funeral Home was in charge of arrangements.

Ray Durfee of Swift Current is shown receiving the keys to the Lions Club trailer from George Richardson, Lions' president. Mr. Durfee had bought five tickets from Bill Richardson.

## Wheat Crops Looking Good

### Cars Collide East Of Milo

Heavy damage was caused to two cars involved in a collision north east of Milo, on Thursday, June 27. Drivers of the cars were John Ivers and Bob Smith.

The small son of Bob Smith received a cut on the forehead which required 12 stitches. He was hospitalized overnight.

Mr. Smith had three ribs separated as well as other bruises. John Ivers' also sustained bruises.

Along with the rest of Southern Alberta, the Vulcan area experienced a severe electrical and wind storm last Sunday night, with trees and shrubs again receiving a severe buffeting.

Heavy but scattered rain showers accompanied the storm. In Vulcan, about three-quarters of an inch of rain was recorded and other parts of the district received from one-quarter to an inch.

Wheat crops are generally in excellent shape following the heavy June rains, with the early-seeded crops now in head and late-seeded wheat in the boot stage. Grasslands are making a good comeback and hay crops are much better than anticipated earlier this year.

In the Lomond district, early seeded crops received the rains too late to make a full recovery from the drought and it is reported that only a light crop is expected in this area.

### Fish & Game Draw Winners

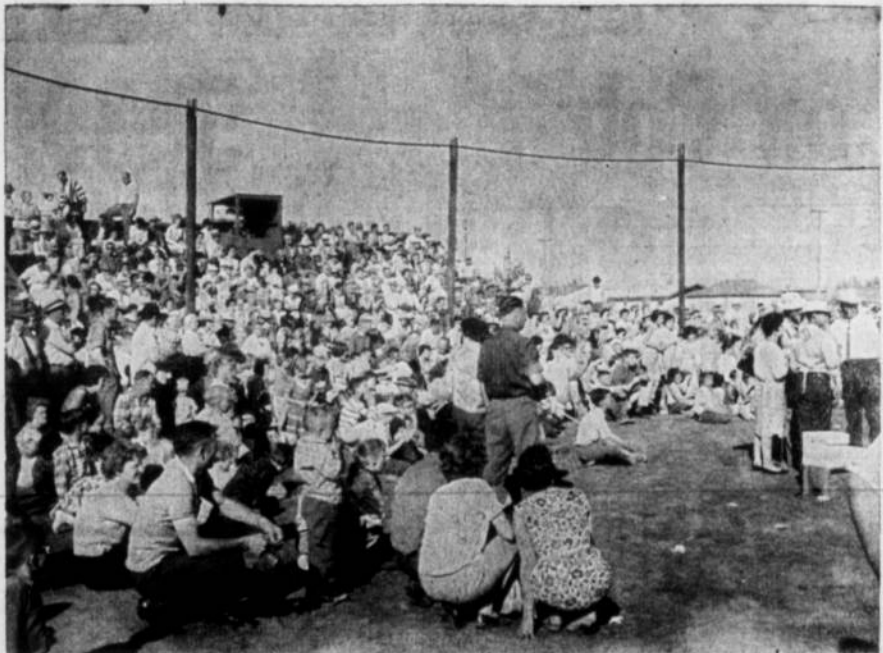

A draw for three prizes, conducted by the Vulcan Fish & Game Association in conjunction with Vulcan's 50th Anniversary, was made at the Armouries dance on Saturday, June 29.

Making the draw were the three people at the dance who had come the farthest distance.

The first prize, a casting rod and reel, was won by Carl Steiner of Vulcan, with a visitor from Whitehorse pulling the lucky ticket.

The second prize, a picnic cooler chest, was won by G. M. Quilty of Lethbridge, the draw being made by a lady from Edmonton.

Third prize of two thermos bottles and a lunch kit went to Stan Scales of Vulcan, the ticket being drawn by William Kaiser of Coeur d'Alene, Idaho, a former Vulcan resident.

The Vulcan baseball diamond and other events including the wind-up of the three-day anniversary celebration held many visitors to anyone wishing a copy to send to friends or relatives. Price is 10 cents or 15 cents mailed out.

### Campbell-Peterson

The Milo United Church was the scene of a pretty wedding on Friday, May 24 at 3:00 p.m. when Rita Elaine, daughter of Mr. and Mrs. Art Peterson, became the bride of Charles Leighton Campbell, son of Mr. and Mrs. Roy Campbell of Cardross, Sask. Rev. Donald A. Sharpe of Vulcan officiated at the double-ring ceremony before an altar of mixed flowers. The guest pews were marked with white satin bows with a pink flower.

Escorted to the altar by her father the bride was lovely in a floor-length gown of white chiffon over taffeta with a full train and featured a fitted bodice embroidered with sequins and pearls and lily point sleeves. Her bouffant veil cascaded from a tiara trimmed with sequins. She carried a lovely bouquet of red velvet roses. Her only jewellery was a pearl necklace a gift of the groom.

The bride's attendants were Miss Joy Black as maid-of-honor, who wore a yellow bouffant dress of nylon sheer over taffeta with a matching flower hat and white accessories. Her bouquet was of aqua wood fibre carnations, Miss Carol Black and Mrs. Sheila Stokes were bridesmaids. They wore identical dresses of aqua chiffon over taffeta with matching flower hats and white accessories. They carried yellow wood fibre carnations.

Little Letty Lynn Stumpf, niece of the bride, was flower girl. She was prettily attired in a yellow traditional satin brocade dress made by Mrs. Robbie Thomson. She carried a bouquet of aqua wood fibre carnations.

David Carnie nephew of the groom was ring-bearer.

Attending the groom was his brother, Colin Campbell as best man. Ushers were LeRoy Peterson, brother of the bride and Wayne Johnson, cousin of the groom.

During the signing of the register, Mrs. Nancy Smith sang "I'll Walk Beside You" accompanied by Mrs. Amy Northcott at the organ.

For her daughter's wedding Mrs. Peterson chose a brown terylene dress with white accessories. Her corsage was yellow fibre wood roses. The groom's mother chose a green two-piece suit with green accessories. Her corsage was also yellow fibre wood roses.

The reception for 87 guests was held at the Milo Community hall. The bride's table was centered with a three-tiered wedding cake topped with a miniature bride and groom. It was flanked by tall white tapers and lilacs decorated the other tables. The bride's cake was made by her mother and decorated by Emsley Wyrick.

The blessing was asked by Rev. Donald A. Sharpe. The toast to the bride was proposed by Grant Lahd, brother-in-law of the bride to which the groom very fittingly responded. Freddy Zaytsoff also brother-in-law of the bride was toastmaster. The toast to the bridesmaids was given by Grant Lahd also. Mrs. Nancy Smith delighted the guests with "I Love You Truly" accompanied by Mrs. Amy Northcott at the piano.

The guest book was attended by Elva Peterson, sister of the bride, and Ellen Thompson.

Following the reception a wedding dance was held in the hall. Jimmy Brown, on behalf of those present, presented the happy couple with a purse of money.

For travelling the bride wore a three piece yellow suit with white accessories and a yellow rose corsage.

Vicki and Ian Knight of Carmangay have spent a few days at the homes of their aunts, Mrs. K. Bloxham and Mrs. Bob Fath.

Mr. and Mrs. George Mueller and family returned home after a week's holiday in B.C. and the U.S.

Mr. and Mrs. Cornils were weekend visitors at the home of Mrs. Cornils' parents, Mr. and Mrs. G. Hupp.

A great many district residents attended the 60th anniversary celebration of Mr. and Mrs. Jake Lebsack, Sr., held in Vulcan on Sunday.

Bruce Hopkins was a patient in Carmangay Hospital for a few days.

Mr. and Mrs. L. Manion and family of Nisku visited at the home of Mrs. Manion's family, Mr. and Mrs. Abe Lawson for a week.

Mr. and Mrs. J. Liebelt of Warner visited Thursday evening at the home of Mr. and Mrs. Abe Lawson.

Several families visited and holidayed at Sylvan Lake the latter part of last week where several boys were with the Scouts' big Camporee. The Scouts had left on Saturday, June 29, for the big week. There were approximately 2,000 Scouts taking part from various parts of the world.

Sharon Sletto is holidaying at the home of her uncle in Youngstown.

Lorraine Nowlin and Marion Hames spent the weekend at their homes in Champion.

Mr. and Mrs. Murray Ohlheiser were Calgary visitors last week. Dale Keenan spent several days last week with his parents.

Rev. and Mrs. Fyke and their small daughter have taken up residence in the United Church manse.

Mrs. Elizabeth Doyle is visiting at the home of her son-in-law and daughter, Mr. and Mrs. Lee Richardson at Albx.

Mr. Alva Baker is visiting his son-in-law and daughter in Arbor, Mich.

Mr. and Mrs. Wm. H. Mullinger have as their house guests, Mr. Mullinger's sisters, Mrs. Laura Kilby and Mrs. Emily Root of Holbeach, Lincolnshire, England. They arrived by TCA in Calgary last Wednesday and were met by Mr. and Mrs. Frank Griffin.

When the storm hit Champion Sunday night it blew the television antennae over onto the power line leading into Philip Schmidt's house. Tom Doyle saw sparks flying, and thinking they came from Howerton's chimney, came over to warn them. The fire department was called and a live wire was located.

Two ball games were played in Champion Sunday afternoon. The first one starting at two o'clock was Champion's victory when they won over High River with a score of 10-1. The Nanton team lost to Champion with a score of 17-7 in the second game.

Sympathy of the district is extended to the Schneider family in their bereavement.

Sandra and Penny Bloxham, Donna Groves, Nancy Wolfe, Monica Ulrich, Judy Fleetwood and Judy Decker spent several days at the park camping. It was climaxed Sunday evening, when the wind and electrical storm drove them from their tents. They spent the rest of the night at Fleetwood's farm home.

### SHOWERS IN HONOR OF BEVERLY DECKER

Mrs. Murray Ohlheiser and Mrs. Wayne Davey were joint hostesses on Saturday afternoon at the home of Mrs. Ohlheiser when Miss Beverly Decker was the guest of honor at a shower. Miss Decker is a bride-elect of this month.

On Saturday evening Miss Decker was again honored at a bridal shower and the dining room of the Community Hall was the setting. Pink and white streamers with bells were the pretty decorations.

Mrs. Russell Hegland was M.C. for the occasion. Linda Holm and Glenda Fath played piano solos. Mrs. Bud Schneider and Mrs. Wayne Davey sang a duet. These selections were followed by a bride's dream of her wedding day pantomimed by a group of ladies. Mrs. Freda Cornils presented corsages to Beverly, her mother and Mrs. H. R. Howe.

The gifts were drawn into the room by Sylvia Pasoli and Diane Clifford, in a large wedding cake. Mrs. Decker and Mrs. Howe assisted Beverly in opening the gifts. The hostess gift was an occasional chair and a lamp. With a few gracious words Beverly thanked everyone for the lovely shower and invited all to call on them in their new home. Sandwiches, cake, coffee and punch were served.

### BLACKIE

With the 1.92 inches of rainfall over the last weekend, the moisture situation for the Blackie district is adequate and crop outlook has improved to good. Estimates of returns at this time are wheat, 30, oats, 55, barley, 45, flax, 14 and rye, 15. The percentage of wheat planted has increased by 10% over last year, with the same increase showing in barley planting.

About 2% damage was caused by the grasshopper situation before it was brought under control by extensive spraying.

Leonard Ririe and Duane Southgate are spending the week at Red Deer and Sylvan Lake at the Boy Scout Provincial Jamboree.

Mrs. L. Brackley's sister, Mrs. Rex Markham, Mr. Markham and family were visitors at the Brackley home. They were on their way home to Innisfail from a trip to Yellowstone Park, USA.

## GREEN ACRES

**CLARENCE ROTH,**  
District  
Agriculturist

**WHAT ABOUT THE GOPHER?**

This rodent is nearly always erroneously called the Flicker Tail, Yellow Gopher, Prairie Gopher or Picket Pin Gopher, however his true name in the "Richardson Ground Squirrel".

The past several years the gopher has been seen to increase rapidly in this area. So much so, that large patches in grain fields have been eaten clean by this pest. It has been estimated that 200 gophers can eat as much green forage as one cow and 96 as much as one sheep. With litters of nine to 13, an early spring population of one to two gophers per acre could mean a potential of forage consumers equal to one cow, for this area.

In 1940, an estimate of gophers indicated a population of five to an acre, or an average of 3200 per section. For the Prairie Provinces the incidence for the 1940's was calculated to range from two animals per acre on irrigated land up to eight animals per acre on prairie.

One naturalist claims that a gopher destroys at least one dollar worth of grain a year. Therefore, on a section of land there could be a hidden tax of \$3200 under average 1940 conditions.

In years gone by, various municipalities in the prairie provinces undertook to control gophers. The incentive was generally a bounty paid per gopher tail. However, poisoning gophers with Strychnine poison is the most effective control method on cultivated land. It must be kept in mind that reproduction is so rapid that a control campaign must destroy 85% of the population in one year to appreciably reduce numbers the next. If ones object is wide-area population reduction, then the kill must be greater than the yearly reproductive potential. Otherwise the program simply amounts to a good cropping practise and maintains a stable healthy population.

Wheat poisoned with Strychnine has been used for many years for gopher control, but despite excellent results obtained by this it has certain disadvantages. With the appearance of green growth in spring the dry grains of poisoned wheat are no longer attractive to the gophers. This bait, therefore, is of value only early in the season.

Gophers will feed on poisoned oats throughout the summer when they cannot be tempted with wheat. Of still greater importance is the fact that no small birds will feed, at any time, on these oats.

Larger birds, such as prairie chicken, partridge and poultry feed freely on oats, but none of these are susceptible to poisoning by Strychnine. This fact is not generally known, but has been amply demonstrated by feeding domestic poultry for two weeks on poison grain. Gophers fed on grain from the same stock were killed in about five minutes.

Reports from rest room, sick and anniversary tea committees were given. Mrs. Loss Kuykendall gave a full report of the biennial convention held at Edmonton in June. It was decided the WI would hold their next meeting at Drift Willow Inn on July 22. Interested members were to contact Mrs. Bert Malsey.

Mrs. Roebuck presented AWI cups and saucers to Mrs. Loss Kuykendall, Mrs. Glen Bateman, and Mrs. Bert Malsey in appreciation of their work for our Women's Institute.

Tea draw was won by Mrs. Glen Bateman. Lunch was served by the hostesses. A farewell was given to Mrs. Middleton who left the next day for her home in Aberdeen, Scotland.

### Where Door Mats Come From

The fibre door mats still popular in Canada are made of coir, says Encyclopedia Britannica. This is a machine-woven matting, the fibres of which come from the husks of immature coconuts. It makes a tough, coarse, rot-resistant floor covering. Coir is imported from the Orient.

### FOOD FOR BARBECUING

To barbecue, means to cook slowly over a bed of hot coals. Meat Selection— Since outdoor cooking is a dry heat method of cooking, choose the same tender cuts of meat you would normally roast or broil.

Select good grades.

Care for it as always. If taking on a picnic, have it frozen when you leave home, wrap it in several layers of newspaper and it will stay frozen for a long time.

Steaks or chops must be at least one inch thick. Thin meat will dry out too much. Buy a thick steak and carve it into serving pieces rather than a thin steak per person.

Less tender cuts may be pre-cooked in moist heat and then grilled over the coals a few minutes before serving e.g. short ribs, shoulder chops, etc.

Barbecuing Meat—

1) Spit or rotisserie: It is important to have the meat properly balanced so the spit turns freely and easily. It is recommended to use boneless roasts. Insert the spit through center of the meat. Have the roast tied securely. Use a drip pan, place coals behind the spit next to the shield.

2) Using a grill: To avoid sticking, grease the grill very lightly. Be sure to keep the grill clean and free from specks of burned food. Do not turn meat too often as it will lose juice. Leave salt off the meat until the last minute as it draws juice to the surface of the meat. Press meat patties firmly together to avoid breaking apart. Do not flatten them or they will lose juice.

3) Smoked Meat: To obtain a heavy smoked flavor add hardwood chips to fire near the end of cooking. Beforehand, soak chips in water for half an hour so that the steam formed flavours the meat.

4) Barbecue Sauces: A sauce to accent the flavor which may be

used as a marinade, a basting sauce or a sauce to pass at the table. It can be fixed ahead of time and stored. A narrow paint brush is handy for brushing on the sauce.

Skewer Cookery—Let each guest construct his own kabob, chunks of food placed on a skewer. "Shish-kebob" is an American word — "Shish" means skewer and "kebob" means broil. French — en brochette. Hawaiian — teriyaki. All mean dinner cooked on a stick. To serve, point the skewer down and slip the food onto a plate.

Vegetables— Potatoes: Baked in foil right on coals — or grill; hobo — scrub, place in can, cover with foil, one hour 20 minutes on grill; bundle — thick slices of potato with onion, in foil, add butter and seasoning — 45 minutes; hashed brown — patties in foil.

Corn: 1) Remove silk, replace husks, tie ends. Place on grill. Roast 20 minutes, turning often. Soak in water first. 2) Wrap in foil plus salt, pepper and butter. Frozen Vegetables: Individual or family size in foil package plus salt, pepper and butter. Two squares foil, double foil, allow for steam expansion.

Fresh: Grill in a foil package a

few minutes (new peas, carrot slices, etc.).

## An Open Letter To All The Residents of the County of Vulcan

To the Editor of The Advocate,  
Dear Sir:

We are presenting this letter for the attention of every citizen of the County of Vulcan, because we feel that the subject matter will be, and indeed should be, of vital concern to every person in the district.

The matter in question is the forming of a brass band.

As you know for many years now, this district has been without a band. When a function in our community requires the service of a band, we have to hire one from some other town or city to come to our towns to play for us. We feel as no doubt many of you have felt, that in this area, with such a fine community spirit as we have, with such a number of social and athletic functions at which a band can serve such a vital part, it is a shame that we should have to go to an outside source to obtain this service.

We have discussed this several times in recent years, but we have always got "bogged down" somewhere. This may be because we have not done anything concrete to get started. We have now started. We are on the move. We have organized a band, and set up a tentative executive. The organization will be known as the "County of Vulcan Band Association." The band will be known as the "Vulcan County Band," and will represent and include players from each centre and district in the county. Each centre and district will have access to the pleasure and services of the band.

The association executive is tentatively set up as follows: President, R. Lloyd Jones; vice-president, J. V. Christensen; secretary-treasurer, J. Lundy Findlay; chairman music committee, Mrs. Clarence Priebe; chairman instrument committee, Harry Washburn; chairman public relations, R. C. R. Munro; chairman membership committee (Junior Band), David Mitchell; chairman membership committee (Senior Band), Montie Findlay.

It is our desire to have representatives on these committees from each centre and district in the county, so we will have advice and help from each quarter of the county. We are sure with such an organization to have one of the finest bands in Alberta ultimately.

In years past the town and district of Vulcan has had a very fine band as well as a reputable concert orchestra. There are many cups to show the prizes won by these units in the past. With a united county effort we can most surely have an outstanding county band. We owe this to ourselves as a people, and particularly to our children who wish to express their musical talent and abilities.

We will offer instruction to both

adults and children who cannot play but have the desire and ability to learn to play a band instrument. We will have a one hour lesson period each week for those learning to play. This will be followed the same evening by a two-hour band practise. We have called the first meeting for Tuesday evening, July 16, in the Scout Hall in Vulcan at 7:00 p.m. After we are organized at this first meeting, times for each successive week will be as follows:—Student lessons—6:30 to 7:30 p.m. Band practise—7:30 to 9:30 p.m. The week night of practice will be determined at the first meeting.

We will have a Junior Band and a Senior Band. In this way we will always have well trained players supplying the Senior Band, and at the same time, give the boys and girls a chance to play as well as to learn. There is no greater source of pride to a boy or girl than to be graduated to a senior band from the boys and girls band. We are counting on you for your support for both these units. We ask your support in three ways:

1. If you can play a band instrument or are interested in playing, or if you have a boy or girl who can play, or is interested in learning, then please come to our rehearsals. We need YOU.  
2. If you have an instrument (good or bad shape—that can be repaired) then bring it with you. If you have an instrument, and are not going to play, please let us use it. We will care for it and keep it in repair. We feel sure there are instruments in attics and old trunks somewhere. We need YOU and your INSTRUMENT.

3. We need your financial support. At first quite a bit—later on not so much. We are not at first going to try to do things too flashy, but will be working on a poor man's budget and try to learn to play well and eventually pay our own way, but at first we do need your support financially.

Please send your donations to one of the executives or to the secretary-treasurer, J. Lundy Findlay, Vulcan.  
One last word to you now—there will be a lot of occasions to play and we feel that in order to keep a good healthy band we must play a lot. Musicians love to play—and play we will! Here are just a few of the opportunities—Calgary Stampede, Memorial Day, services, July 1st parades, Lake McGregor Sports, Community days, baseball games, hockey games, school functions, Sunday afternoon concerts in the park, etc., etc.

We look forward to your co-operation and attendance. Remember—our first meeting and band practise will be at 7:00 p.m. on Tuesday, July 16, in the Scout Hall, Vulcan.

Your truly,  
R. Lloyd Jones, Pres.

### IN MEMORIAM

VAILE—In loving memory of Ethel Vaile, who passed away on July 12, 1955.

So many things have happened Since you were called away. Things you would have enjoyed Had you been left to stay. So many things to share with you

In just the usual way; Things that could be so much nicer If you were here today. We cannot but the old days back

Your hand we cannot touch, But we have wonderful memories Of one we loved so much.

—Ever remembered by her son, Mom, Dad, sister and family. 1-p

### LETTER TO EDITOR

To the Editor of The Advocate.

Dear Sir:

From one oldtimer to all those of our children, their friends and everyone who gave us those three unforgettable days of golden jubilee, "Thank You."

You have entertained beyond imagination and many times almost beyond the limits of your strength (I am sure) to give us the best time Vulcan has ever put on.

Amongst your endless compliments on our goodness and endurance (secretly to each other we know we never deserved the half of it) but is was music to our ears.

There is one thing we can be proud of anyway. That is that 50 years ago we started a community. With our pitfalls and errors it ended up in rising to bless us.

But as long as we live we are not done. This little verse speaks for us, I believe.

### — MY WORK —

Lord, let me not die until I've done for Thee  
My earthly work, whatever it may be.

Call me not hence with mission unfulfilled;  
Let me not leave my space of ground untill;

Impress this truth upon me that not one  
Can do my portion that I leave undone.

(Author Unknown)

Lovingly,  
An Oldtimer.

A boy of 19 who splashed ashore to the coast of France on D-Day would now be a family man of 38.

# Photo Review Of Vulcan's 50th Anniversary Celebration

## Enthusiasm High For Big Event

Although there may be some exaggeration in the statement, it has been claimed by local folk who saw the Calgary Stampede parade Monday morning of this week, that the trip wasn't really necessary. They felt they had seen all this and more at Vulcan's Anniversary parades the previous Sunday and Monday.

Indeed the local showing excelled both in quantity and quality of floats, and other features, anything that has gone before in the town's history.

The separate parade for children proved to be a wise move of the 50th Anniversary Committee. As it turned out, the youngsters would have been lost in the Monday parade whereas being featured by themselves gave the public a closer inspection and appreciation of the work that went into the various entries.

Spurred on by beautiful blue skies, at last, crowds thronged the Monday morning parade route to greet the long procession of floats, bands, clowns, decorated cars, horses, and even the severest critics had to admit it was a whale of a parade.

On this page are photos of events taken during the weekend. More will be published in next week's Advocate.

Four men whose names were high in the athletic world of earlier years in Southern Alberta were on hand for Vulcan's 50th Anniversary. Introduced to the Monday crowd were, left to right, Slim Haynes, now living in the U.S., Ed Kehr and Frank Hess of U.S., and Bill Recor of Spokane.

In the same unbeatable spirit which dominated the anniversary weekend, Saturday's rained-out children's parade was held Sunday before a large crowd downtown. Some of the over 80 entries are shown along the two block route. Although this was only a prelude to Monday's huge parade, it was extremely well organized, full of

color and originality and a big feature of the weekend. 50th Anniversary General Chairman Bill Richardson can be seen in the foreground under the straw hat.

## Five Months Growth Judged

The huge crowds which attended the Monday afternoon anniversary show stayed on 'till close to 6 p.m. to watch the beard judging contest. Faced with the difficult task of picking the best of about 80 beards were three judges, Frank Thurber and Ted Percival, Blackie district and Mrs. Clara Woods of Calgary.

Best kept full beard: Leonard Robertson, who is not sure it's Volsey, (being examined by Swede the real thing.

For those who like country and western music a jug-full was supplied by the above Three Hills gang during the Anniversary weekend. They roved from one part to another during the first two rain-filled days but got out into the sunshine on Monday with several thousand other celebrants.

Children's Parade— All set to take off.

Children's Parade— Bicycles, boys, girls, dogs, horses . . . fun.

Monday Parade; majorettes of Calgary Lions Club Boys' & Girls' Band.

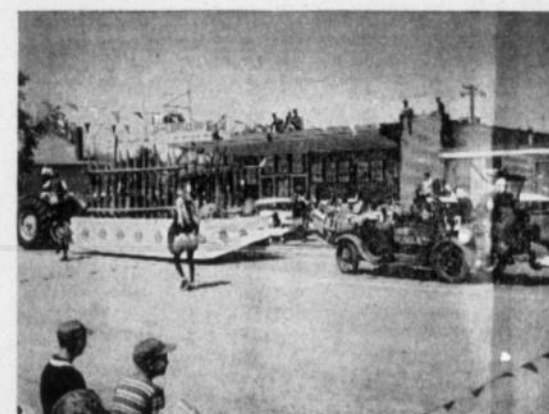

Scraggliest full beard: (left to right) Ed Zilke, Lloyd Graham, Warner Roebuck, Robert Welsh, W. Knapp, Irwin Huges in front was winner.

Fish & Game Association trophy (donated by past president Bill Holton); left to right, Jerry Steiner (winner), Howard Spaeth, Doug Galbraith, Cliff Andrews.

Monday Parade; No. 153 Co. RCASC Band, High River.

Monday Parade; Milo-Queenstown Lions Club float is followed by Liberty Hillbillies.

Monday Parade: Champion Lions Club float.

Scruffiest Partial Beard— Max Kehr, Andy Broere (winner)

### BIRTHDAY CLUB

The June meeting was held at the home of Mrs. A. Stanko and opened by singing "Happy Days Are Here Again." Eighteen members answered roll call by trying to guess who their Sunshine Friend had been for the past year. Only four guessed correctly and the rest had to pay a penalty. There was one visitor.

D. Walker spoke to the members of the program plans for the official opening of the Community Centre and asked for delegates from the club to attend a meeting to discuss this and the assistance that will be needed. It was decided to send two delegates to their meeting.

"Thank You's" were received from H. Ensign and I. Volesky. Mrs. Hamm and M. Crawford volunteered to audit the books. A drawing of names was made for new Sunshine Friends for the coming year.

New officers were elected for the next term as follows: President, M. Crawford; vice-president, R. Stanko; secretary treasurer, E. Lindstedt; news reporter, M. Hart, D. Carrington and V. Honess; gift, A. Stannard, J. Hamm, E. Zuba and M. Lindstedt. A shower committee was also picked in case of necessity.

Closing song was "Bicycle Built For Two." The nickel draw was won by E. Lindstedt. The next meeting will be held in the Badger Lake School July 11 at the usual time.

A delicious lunch was served to close a most pleasant afternoon.

Nowadays it's natural for the lady of the house to do much of the family banking, because it's so convenient to look after money matters at one place—the local chartered bank, an all-round banking service-centre.  
This busy homemaker is on her way to deposit part of her husband's salary in their savings account, cash a cheque on their joint chequing account, and pay the monthly instalment on a personal loan. All this taken care of under one roof—quickly, easily, simply.  
Any bank service you use is an introduction to many others. And the chartered banks are always on the lookout for new ways to be helpful to more people. Good reason why the number of deposit accounts has doubled to 14 million in just 10 years, and 3,500 new accounts are being opened every banking day.

## Guard Eyes In Eclipse of Sun On July 20th

During the last eclipse of the sun—on April 8, 1959—170 persons in Australia suffered permanent retinal damage while watching it. They were principally children. The damage to their vision was caused by lack of information, as well as the natural curiosity of children.

There is only one recommended way to view an eclipse. Be sure your children know how it is done.

View the eclipse through a blank developed photographic film. The film must be over exposed over its entire surface, then developed. To do this unroll a roll of new black-and-white film in daylight. Reroll it and have it developed.

Do not use an exposed negative because dark objects in the picture show clear on the negative, and may allow the burning rays of the sun to penetrate the eye. Sunglasses will not provide adequate protection, nor will the old process of smoking a piece of glass.

## BERRYWATER

F.W.U.A. REGULAR MEETING  
Bertie Oldfield was hostess to the FWUA meeting Wednesday, July 3 when 15 members and three visitors were present. The roll call was answered with a rule from the driver's manual.

Lana McLean plans to go to Teen Camp and Sandra Oldfield to Citizenship Seminar, both being held at Gold Eye Camp.
